Teacher of Geography/ Assistant Curriculum Lead Applicant Pack

Dear Applicant,

Thank you for your interest in applying to work at Uxbridge High School. It is a privilege to lead this school, and I am excited to share my ambition to provide a gold standard education. This appointment is crucial in fulfilling that ambition.

If you possess determination, drive, and moral integrity, we offer an exciting opportunity to be part of a fantastic school with a golden future. Uxbridge High School is a highly successful co-educational academy for students aged 11-18. The school is very popular and has grown considerably over the years, reflecting a rising trend in educational achievement. As the new Principal, I have chosen the colour gold for our logo to symbolise our ambition and commitment to the highest standards in everything we do. Our enrolment now stands at over 1,300 students, including 220 in our sixth form. We are a school of choice and are oversubscribed in all year groups.

We have much to celebrate, including a strong local reputation and a diverse, happy student body. Our staff are highly committed, enjoying very high levels of support, professional development, connection to a common purpose and a sense of community. We are based on an open and green campus which includes a range of state-of-the-art buildings and facilities.

At the heart of the school is its distinctive ethos and vision. Our PROUD values of positivity, respect, open-mindedness, uniqueness, and determination define our work. These values provide aspiration and structure for every student, whatever their starting point. We are proud to be a truly comprehensive school preparing students for life in modern Britain.

Academic performance is very good, across the school including the sixth form. We continue to recognise the importance of ensuring all students fulfil their ambitions and potential whatever these might be. They leave school as PROUD students with doors open for a bright future.

We have created a culture where staff and students are determined and committed to creating an environment where all can thrive. We hope you relish the opportunity to lead in a school which all stakeholders are proud to be involved with. We are looking for staff who are committed to nurture the ambitions of all students, right through the school until they are committed to their own aspiration and have the independence to apply to university, work as an apprentice, or excel in a unique field of their choice. Every endeavour and every aspiration are valued and celebrated.

If our school ethos and values align with yours, I would welcome your application to join a school that creates optimism for the next generation. I very much look forward to reviewing applications in our search for the right people to drive Uxbridge High School into the future.

On behalf of the school, thank you for your interest in Uxbridge High School.
